

# COMING SOON

**Jacqueline K. Wilkins**, interim director, Ohio State University Extension, CFAES, The Ohio State University

We are currently in the process of physically reopening this office.

While many of our staff members are still teleworking, per direction of Ohio State, some employees will start to work from this location as of **June 1, 2020**.

Anyone working within this facility has been granted permission from Ohio State to do so at this time.

Essential safety and health precautions are being taken at this work site. The workers at this site have verified that they are not sick at this time and have not been knowingly exposed to anyone with COVID-19 or other illnesses.

While on-site, each person must wear a face mask in public areas, cleanse his or her hands regularly, and observe social distancing guidelines. All Extension offices will be cleaned regularly, and equipment will be sanitized daily.

“Thank you to everyone for your cooperation and collaboration related to the coronavirus disease (COVID-19). Like Ohio State, OSU Extension remains committed to the health and well-being of our community and serving our communities in each county as this situation evolves. These are unprecedented times, and we sincerely appreciate your flexibility and support,” said Wilkins.

## **Event Cancellation Notice/Reminder**

Per previous Ohio State decision, all university in-person events are still cancelled through **July 6**, and Extension activities planned through **July 6** will continue to be held virtually or cancelled. Ohio State will continue to evaluate and update plans based on evolving conditions with COVID-19.
