

PAULDING COUNTY EXTENSION PRESENTS

Soil Health Tour & Event

Northwest Ohio's Soil Health Tour is back and better than ever for its second year! Curious what you can do to improve soil health? Don't know where to start? Do you have questions about practices? Then this self-paced tour is for you!

Explore practices in the Northwest Ohio, Northeast Indiana, and Southeast Michigan region. Talk with other producers about ideas and concerns you may have for soil health.

Self-paced tour stops will be in place from Monday, 9/19 to Wednesday, 9/28. A Soil Health Event with a guest speaker will conclude the tour on Thursday, 9/29 from 6:00-8:00PM at the Paulding County Extension Office. *Attending the tour is not required for event attendance.*

DATE: Tour opens at 8AM on 9/19 and closes at 5PM on 9/28

Wrap-up event will take place 9/29 from 6-8PM

LOCATION: A map with tour stops can be found at go.osu.edu/soilhealthtour (stay tuned as webpage is updated with more information)

Wrap-up event will be held at Paulding County Extension, 503 Fairground Drive, Paulding OH 45879 – registration of \$10 includes meal

For more information and to register for the wrap-up event, visit go.osu.edu/soilhealthtour, contact Rachel Cochran (419) 399-8225, cochran.474@osu.edu, or scan **QR Code** to the right

THE OHIO STATE UNIVERSITY
EXTENSION

CFAES

LEARN

Hear about climate-smart soil health practices from Conservation Agronomist Hans Schmitz of Indiana's Conservation Cropping Systems Initiative (CCSI)

SEE

Visit farms in the region to see what they are doing to promote soil health and how it is working for them

DISCUSS

Network and share ideas with the farmers who provided tour stops to hear their journeys and struggles with soil health

COLLABORATE

Talk with OSU Extension, guest speaker Hans Schmitz, and regional producers to brainstorm how you can improve your own soils' health!

Certified Crop Adviser (CCA) credits available

EVENT SPONSORS:

The Nature Conservancy
Farmer Advocates for Conservation
