

CFAES

Specialty & Cover Crops

FIELD NIGHT

SCHEDULE

Thursday, July 27, 2023

Come join us for a two-part, online and in-person hybrid workshop to take a closer look at innovative production techniques for specialty crops, with a focus on long cane raspberries and tomatoes, and new types of cover crops to promote healthy soils.

Presented by the Ohio State University South Centers Small Fruits and Soil, Water, and Bioenergy Resources teams.

Register now for free by visiting
go.osu.edu/fieldnight
