Ready to think global and act local?

Extension is the world's largest non-formal educational system; and we are proud that OSU Extension helps to fulfill Ohio State's land-grant mission every day.

Join OSU Extension's team to grow your skills, serve Ohioans, and advance alongside accomplished professionals statewide.

"I'm seeing my vision come to life through Extension."

"With Extension, there are opportunities to serve – which is amazing – and to learn and grow in your own professional development."

"We are helping change people's lives – helping youth and families be healthier."

"It's fascinating to work in a place that is dynamic in serving and helping people."

Opportunities in Extension

Are you interested in a career which allows you to work with diverse groups of people, educate the public, and make a difference in Ohio communities? Ohio State University Extension might be the perfect fit for you!

As a statewide campus, OSU Extension has a presence in all 88 Ohio counties, and continues to advance in nondiscriminatory engagement and education with rural, suburban, and urban Ohioans through experiential learning opportunities. No matter which county you visit, you can find people who have been impacted by the four major OSU Extension program areas: family and consumer sciences, 4-H youth development, community development, and agriculture and natural resources. You can learn more about OSU Extension at extension.osu.edu.

OSU Extension Mission: We create *opportunities* for people to explore how *science-based knowledge* can *improve social, economic, and environmental conditions*.
